CARR 232 David Yingling House (site)

During the late nineteenth century, two structures stood on the site of **3333 Uniontown Road**. One was a residence that was built by David Yingling in 1845 and sold that same year to John M. Ferguson. The building is shown on the 1862 Martenet's Map without an ownership designation. On the 1877 Atlas map, it is listed as the residence of the Sullivan family, who owned the structure from 1874 to 1928. The other building on this site was a carriage shop operated by J. T. H. Davis from 1878 to 1897. The current dwelling dates from about 1959.
